EXPLANATORY PREFACE

This Register contains the names of all the Public and Separate Schools of the Province of Ontario with certain information regarding each school, including the name and address of each secretary, and also the name, address, salary, and grade of certificate of each teacher employed therein for the school year ending June, 1914.

For convenience this information has been divided into four parts, as follows:

Part I—The Public Schools of the City Inspectorates, Pages 2 to 33.
Part II—The Public Schools of the County Inspectorates, Pages 34 to 292.
Part III—The Public Schools of the District Inspectorates, Pages 293 to 333.
Part IV—The Roman Catholic Separate Schools, Pages 334 to 375.

The Inspectorates have been arranged alphabetically in Parts I and II, and numerically in Parts III and IV. An index of the names of the Inspectors has been provided on Pages 377 and 378. A summary of the numbers of teachers holding the several grades of certificates has been placed at the head of each Inspectorate and a general summary for the Province on Page 376. The number of schools in each Inspectorate is also indicated in each heading, except in Part I, where it is indicated at the end. In each Inspectorate in Parts II, III, and IV the Rural Schools are placed first, followed by the schools of the Urban Municipalities.

The compilation of this information has been undertaken primarily in the hope that it may assist in supplying all the schools of the Province with the best teachers available. It should be noted, however, that the statistics contained herein have been compiled, not from the Departmental Registers, but from Special Reports by the Inspectors concerned. Frequent changes in the schools render absolute accuracy in the list of teachers impossible.
